NOW, THEREFORE, BE IT ORDAINED by the Borough Council of the Borough of Sea Bright, County of Monmouth in the State of New Jersey, as follows:

SECTION ONE.

Chapter 130, "Land Use", Article IX "Design Standards", of the Code of the Borough of Sea Bright be and the same is hereby amended and supplemented by the addition thereto of the following section:

(2) Inspection by Borough Engineer.

- A. It shall be the duty of the Borough Engineer, from time to time, to inspect all waterfront bulkheads in the Borough and to report to the Council and notify the owners and occupants of the property on which the bulkhead is located of the existence of any dangerous or defective condition therein; thereafter, it shall be the duty of the owner of said property to replace, remedy or repair any such dangerous and defective condition.
- B. When notified by the Borough Engineer of a defective or deteriorated bulkhead, the property owner shall submit a plan of corrective action to the Borough Engineer no later than 30 days from the receipt of the notice.
- C. Upon approval of the plan of corrective action, the property owner shall complete all necessary repairs within sixty (60) days.
- D. If permits are required from state or federal government agencies, such permits shall be immediately applied for, prior to Township approval. The amount so charged shall become a lien upon the lands and shall be added to and become a part of the taxes next to be assessed and levied upon the lands, shall bear interest at the same rate as taxes, and shall be collected and enforced by the same officer and in the same manner as taxes.
- B. The costs of abatement shall be in addition to any penalties imposed for any violation of this section. In addition to the actual costs incurred by the Borough for labor and the use of Borough equipment, or the costs of contractors procured by the Borough, the lien shall also include an administrative fee in the amount of \$2,500, which shall be included in said lien to cover the Borough's administrative and legal costs in addressing and abating the aforesaid conditions.

MAYOR AND COUNCIL COMMITTEE COMMENTS

Councilman Keeler reported he spoke with Carol Smith at the Court and Oceanport and Rumson have signed a formal contract to utilize the Rumson court facilities until the end of this year. The Oceanport court facilities are expected to be up and running in January, 2021. Councilman Keeler said he spoke the JIF and the Administrator about the proposal for the beach operations review – Administrator Verruni will follow up with Dr. More – and request a proposal to include two phases of review (contracts and water safety when our operations start up again next summer).

Councilman Schwartz said it is important that we make sure that the Borough is protected when it comes to our beach contracts so we are not liable if something were to happen. Councilman Schwartz said the beach has done an unbelievable job and we are lucky to have Don and the beach team.

Councilman Catalano stated that we are going to be replacing our “welcome to Sea Bright” signs; the north and south entrance signs will be matching and the sign at the Rumson bridge will be rebuilt.

Mayor Kelly wished newly appointed Officer Sean Marelli the best of luck.
